

**IMMANUEL LUTHERAN**

*Our Downtown Church*

November 1, 2016

Dear Friends in Christ at Immanuel Lutheran Church,

**Build Us Up, Lord!** This is our prayer. We ask God to build up our faith community at Immanuel Lutheran Church as we gather in worship, learning, and service to share the love of Christ with each other and our wider community.

**Build Us Up, Lord!** This is our capital campaign theme. It captures the powerful mandate to serve as stewards of our downtown church. We sought God's guidance as we set the capital campaign goal at \$950,000 to complete essential infrastructure improvements to the Immanuel sanctuary and adjoining areas. We believe now is the time to move forward in faith and leave a faith inheritance for those who come after us.

As members of Immanuel's Church Council and the Capital Campaign Leadership Team, we pledge our support for **Build Us Up, Lord!** Each of us plans to make a financial commitment to this campaign to continue and grow our thriving ministry at Immanuel. Please prayerfully consider your participation and join us in giving to the **Build Us Up, Lord!** capital campaign.

During worship on **Commitment Sunday, November 13**, we will complete our commitment cards for **Build Us Up, Lord!** and for our Annual Giving for 2017.

We truly believe everyone has a gift to give and every gift is important. Together we do ministry that none of us can do alone. Please join us as we ask God to "**Build Us Up, Lord!**"

Sincerely in Christ,
