RE: *Rejuvenation Committee* – How would you prioritize the Floor Design Ideas?

Dear Congregation,

Consistent with the direction we discussed with you at the *2011 Annual Congregational Meeting*, it is time to express your priorities and your comments to the floor design ideas that we presented to you in the Booklet dated January 9, 2011, and that we discussed with you at the special meeting on January 16, 2011.

Please rate your priority of the five (5) floor designs ideas. Please give your top priority a 5; your second priority a 4; your third priority a 3; your fourth priority a 2; and your fifth priority a 1:

_____ Floor Design Idea No. 1: Altar in the middle of the Church

_____ Floor Design Idea No. 2: Altar in the southwest corner of the Church

_____ Floor Design Idea No. 3: Altar in the middle and Westside of the Church

_____ Floor Design Idea No. 4: Altar moved north with a cryroom in the south part of the Church

_____ Floor Design Idea No. 5: Altar moved north with organ in south part of the Church

Please checkout the Church's Website for a remainder of the Floor Design Ideas at <http://ilcboise.org/rejuvenation.htm>

Please return your priorities to Pam at the Church Office on or before April 3, 2011.

Please add any written comments you may have as to your priorities below or on a separate piece of paper appended to this letter.

Please fill out and return only one of these forms per Church member.

Thank you.

Alan Schroeder, Chair of the *Rejuvenation Committee*

Lynnette Chandler, Amy Dockter, Kirk Higginson, Rod Miller, Ken Wiley, *Committee Members*
