

Immanuel Lutheran Church

Youth Code of Conduct

I will remember that I am a guest when I leave church property and that I will conduct myself as a representative of the church in order to maintain a positive relationship with other people and organizations.

I will respect adult leadership and follow directions at events.

I promise to be respectful of the property of the church in and outside of youth areas and I will be respectful of any vehicles I travel in and places I go on church events.

I promise to use affirming language and I understand that this means I will not use vulgar or inappropriate words to put others down.

I promise to respect all people around me, including adults and younger children. I understand that any lack of respect either verbally, emotionally, or physically will result in removal from the event and the creation of an action plan to participate in future church events.

I promise not to go into any unauthorized areas within the church or designated at an event.

Except for the pastor and youth program director for spiritual counseling and mentoring, I understand staff and volunteers are not allowed to be in a room alone with any youth in the program. I promise to work with staff to avoid situations where staff would be violating this policy.

I promise to go to a church leader if I or a fellow youth are in danger so the youth leadership can help. I understand that all staff and volunteers are mandated reporters of any allegations of abuse and have been trained in how to appropriately handle any disclosures.

I understand only authorized staff can text or communicate with youth one on one and all other communication must be over group message with at least 3 people.
